MESSAGE OF THE CONGRESS PRESIDENT

TOGETHER

Dear Colleagues,

It is a great pleasure to invite you to the Lebanese Order of Physician's International Congress, under the slogan **"Together"** which will be held on July 14th, 15th, 2023 at Beit al Tabib – Lebanese Order of Physicians main building in Beirut, Lebanon.

This event is a unique opportunity to reinforce the relationship between the Lebanese medical community established in Lebanon and all doctors overseas of Lebanese descent. This congress is an occasion to be together and to join our expertise for a better healthcare system in Lebanon.

We all know that since 2019, Lebanon has suffered numerous crises which have led to unprecedented crises in all aspects, economic, financial, industrial, educational, and healthcare sectors among others. Despite all these challenges, we are still driven by our scientific and human values.

"Together" - by sharing our expertise, we can make the right decisions.

"Together" - by consolidating our relationships, we can attract strategic partnerships and conduct research studies.

"Together" - by establishing the Lebanese medical network, we can create exchange programs and generate opportunities for our young graduates.

"Together" - by taking advantage from all our accomplishments, we can improve the standards of care & build the Lebanese future healthcare platform.

This congress is an opportunity to focus insightful on the different challenges facing our collapsed healthcare system and how we can benefit from the expertise of the Lebanese Medical Diaspora to rise again by implementing the right "Vision" and "Reform" to build a balanced medical map and a new healthcare infrastructure providing a unified standard of care to all our people.

In addition, this congress will highlight the achievements of Lebanese Doctors in different specialties in Lebanon and worldwide under the session **"Meet the Experts"**.

Do not miss this exceptional opportunity to be part of the Lebanese Global Medical Family.

Sincerely,

Professor Youssef Bakhach

President of the Lebanese Order of Physicians
